

# Woodlawn High School Flag Project

Woodlawn High School gymnasium is the home to many community events and outreaches. It is the goal to present an area that everyone in the community can be proud of. To better the gymnasium, a project has been started to raise funds for a retractable flag. Many schools have these flags in their gyms, including Woodlawn Grade School. They are an excellent, professional, way to display a much larger flag than what can hang on a wall. Our American flag is a symbol of our country and the brave men and women who have served to give us the freedoms we have. It is with great pride Woodlawn High School would like to represent this symbol as best it can.

Donations for this project are being accepted at either the grade school or high school office. No donation is too small or too large. All donors' names will be listed on a banner that will hang in the gym for this school year.

If you would like to donate, please fill out the bottom portion of this form and return it to either school office along with your donation. Checks should be made payable to Woodlawn Unit School with "flag project" marked in the memo.

Thank you in advance for your support!
